

EU type-examination certificate

C3317.1VIC

Applicant	Vicsa Safety Comercial Ltda. Panamericana Norte 5151 Conchali SANTIAGO CHILE
Identification of the applicant	VIC
Product type	Face shield – Welding helmet
Model name	Máscara de soldar fotosensible Classic US EAGLE and US EAGLE RDL and MC CARTHY
Standard(s) / technical rules	Essential requirements according to Annex II of the PPE Regulation (EU) 2016/425 EN 175 : 1997
Test report(s)	1188-ECS-18 / MR 11882-ECS-18
Materials and specifications	ABS, polypropylene, polyethylene Safety plates, automatic welding filter Protection against high-speed particles, medium energy impact (B)
Marking	VIC 175 B CE

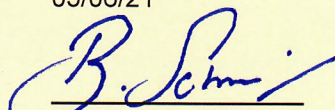

Herewith, ECS certifies that the named model complies with the essential requirements for health and safety as they are provided by the European Regulation (EU) 2016/425 for Personal Protective Equipment. This certificate is based both / either on the test results as they are summarized in the named test reports, and/or on the technical documentation as it is delivered by the manufacturer. The applicant / manufacturer agrees to the General Business Rules of the ECS GmbH and to additional agreements as they are named in the application for conformity assessment.

The eye-protection device is to be marked as assigned. Either / both the frame and/or the ocular, spectacle, goggle or shield must be signed, as appropriate. If different markings have been assessed, the lowest marking must be applied, respectively. The validity of this EU type-examination certificate will expire on the date as mentioned below, and/or if the manufacturer modifies the safety-relevant properties of this product with comparison to the tested one and/or if the requirements in the standards or technical rules will be revised and/or tightened.

Name, address and identification number 1883 of the notified body ECS are to be indicated in the information brochure of this product.

This EU type-examination certificate is valid until 2023-09.
